

**REMARKS**

The Notice to File Missing Parts of Nonprovisional Application required the submission of a computer readable and paper copy of the Sequence Listing, a signed declaration under 37 CFR §1.63, and a late declaration surcharge of \$130.00. The amendment to the specification was made to insert the required SEQ ID NO. 28 identifier associated with the Sequence Listing. It is respectfully submitted that these requirements are satisfied by the amendment and enclosures herein. No new matter is added by the amendment.

Applicants respectfully request acceptance of the enclosed paper copy and computer readable form of the Sequence Listing. The herewith Sequence Listing, filed in accordance with 37 CFR § 1.821(g), does not contain new matter. The content of the attached paper copy and the attached computer readable copy of the Sequence Listing, submitted in accordance with 37 CFR § 1.821(c) and (e), respectively, are the same. Thus, the sequence disclosure contained in the application now fully complies with the requirements set forth in 37 C.F.R. § 1.821 to § 1.825.

Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

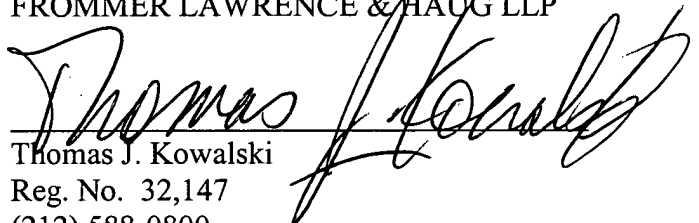

**CONCLUSION**

In view of the amendment, remarks and enclosures herein, it is respectfully submitted that the application now complies with all requirements set forth in the Notice, including the requirements for computer readable disclosure of the biological sequences under 37 C.F.R. §1.821-1.825. Reconsideration and withdrawal of the Notice to File Missing Parts of Nonprovisional Application is earnestly solicited.

Respectfully submitted,
